Dear Parents/Carers,

Class 8 write Newsletter

We have been learning about all newspapers. We asked Mr Hill if we could write the newsletter this week, and he agreed by saying, "What a great idea!"

We are sure that you will love our newsletter as we have worked well together all week to produce it for you.

Smoking

A number of parents have been smoking on the School grounds and some of the children have complained about this. If you could smoke just behind the gates we (the children) would really appreciate it.

Parents' Evening

On Wednesday and Thursday it was Parents' Evening. Despite the storm called Barney, parents arrived in school to meet with their children's teacher. Many thanks to those who came, it was lovely to discuss your child's progress with you.

If you have any concerns please speak to your child's teacher.

Golden Award for Isaac Newton

Our school has received the Sainsbury's School Games Mark. We are the only primary school in Grantham to receive it. It is an award to recognise all the clubs that our school offers, including the leadership opportunities for playground leaders, sports council and bronze ambassadors. It also shows the amount of competitions that our school takes part in. We are very proud of this! This wouldn't happen without the children and the support and hard work from Mrs Walker, Laura and Mrs Atter.

Volleyball

Two volleyball teams took part in a competition yesterday. The boys came 4th and the girls came 2nd. They came home with the fair play trophy. Another trophy for our ever increasing sports cabinet.

News from around the classes

Class 1 & 2

Class 1 & 2 are learning about hedgehogs. On Thursday they made some hedgehog models using their own choice of materials. They have read lots of books about hedgehogs too.

What facts do you know about hedgehogs?
