Date: Friday 16th October 2015

Dear Parents/Carers

It has been another brilliant week here at Isaac Newton. The week began with a great assembly by the NSPCC. Your children should have brought home their sponsor forms and a letter explaining how badges will be given out. Please remember that it will not be as the sponsor sheet says but will be drawn at random for each class. We learned a lot in the assembly and the children were informed about the work of the NSPCC and Childline.

On Tuesday the Year 3 pupils went to Lincoln Castle. They had a fantastic time learning a lot about Romans and represented the school brilliantly. Year 4 will be going to the castle next week.

Finally, we held our own Isaac Newton World Rugby Cup on Thursday. It was a fantastic effort from all children in years 3/4/5/6 who played, many of whom were called upon at the last minute to represent their house. It was a hard fought battle, but the winning house (on try difference only) was Saunders (yellow). Coming in a close second were Foale (green).

Paul Hill
Headteacher

Dates for your diary:

20 th Oct	Year 4 Lincoln Castle Disco
22 nd Oct	Learning Heroes Day
2 nd Nov	School Photos
4 th Nov	E-safety day
18 th /19 th Nov	Parents' Evenings

Earrings in PE

A number of children have been unable to participate in P.E since we returned as they are unable to take their earrings out. It would be great if all Parents/Carers could ensure that children are not wearing their earrings on a PE day.

Learning Heroes day

Next Thursday (22nd October) we will be holding a "Learning Heroes Day". You should already have received a white t-shirt and letter explaining that we would love the children to decorate the t-shirt as though they are a learning super hero. The picture below should give you some ideas as the "Questionator and Super Stamina Boy" have made their costumes already. The words around the edge may give you some ideas for Learning Hero names:

Bug Club and Education City

This week you should have received your logins for two online learning systems that we use as a school. All children received a login for "Bugclub". This allows pupils access to books and we will ensure that we update each child's area soon.

The children in Years 3-6 will also have received a login for "Education City". This is a great educational website on which the children can practise aspects of work that they do in school.

Christmas Tombola

Whilst Christmas must seem a long way off it is that time of year when we ask for donations for our Christmas Tombola. Any unwanted gifts, chocolates and wine would be gratefully accepted. All proceeds will go towards the school library. Many thanks.

5 Star Hygiene Rating

Last week we received a no notice visit from the Food Standards Agency in order to give us a rating for food hygiene. We were delighted to be awarded the highest rating of 5 stars.
