Date: Friday 19<sup>th</sup> January 2018

## News from around the Classes

It has been a great week at Isaac Newton. The children have worked so hard and their behaviour has been impeccable. Here is what they have learning about this week.

The children in Reception saved Mr Hill from the Evil Peas Lazer Maze by making their own Superhero Gadgets.

Year 1 made scrumptious candy cottage pictures to aid their writing about Hansel and Gretel.

Year 2 have written their best writing ever, about forests and produced amazing collages based on the work of Andy Goldsworthy, while Year 3 have been learning all about Skara Brae and rocks.

Year 4 have been learning about Starr Carr from Stone Age times and making their own tools.

Year 5 have been making potato contours and card models of mountains. Year 6 have been creating spring pictures with descriptions and fantastic report writing.

## Swimming

There is no swimming for Year 5 next week as there is a swimming gala.

## P.E Kit

The children still need their tracksuit bottoms and leggings for PE whilst the weather is cold outside.

## Tuck Shop

The money collected from the Tuck Shop has been used to buy new books, footballs, bibs, basket balls, skipping ropes, Zumba DVD, dolls and prams. The items bought were all chosen by the children and delivered to the year groups.

## Homework

Homework grids are available on the school website and from your child's teacher. We've had some amazing homework in this week.
